

Scheme of Work

Course Aims:

- ✓ By the end of the course, students will be able to conduct simple conversations on everyday topics.
- ✓ They will have improved their understanding of the uses of the present continuous and present simple, and started to use the past simple.
- ✓ They should also be able to use simple links such as and, and then, but and because. There will be a strong emphasis on pronunciation throughout the course.

Objectives:

- ✓ Students will achieve these aims through reading and listening comprehension practice and a range of speaking and writing activities
- ✓ Students will give short presentations in pairs at the end of the course.

Week	Tuesday 6.00 - 7.30 pm Reading and Writing	Thursday 6.00 - 7.30 pm Listening and Speaking
1	- Getting-to-know-you activities/Needs analysis - Materials/Activities: Find some-one-who, paired interviews	Aims: - To expand and practise language for talking about basic personal information Activities: - Short listening comprehension – interviewer asks someone about their typical day. - Interviews – students interview each other to practise language from interview. Topic: - Home life. Language: Functions: - Describing daily routines and times, giving basic personal information including dates.
